

Cellular and Molecular Biology

UNIVERSITY OF WISCONSIN-MADISON

Choice of Thesis Lab Form

Note to faculty: You must contact the payroll specialist for your lab and let them know the student will be starting on your lab's payroll, health benefits, and tuition remission. You will be asked to cover the student's stipend, health benefits, and tuition remission starting November 19, 2023, to account for the rotation time. If the student decides to switch labs in the future, you are responsible for financially supporting the student for a one-month rotation.

Return completed form to cmb@bocklabs.wisc.edu.

It has been decided by mutual agreement that _____ will
Student Name
join _____ lab starting December 11, 2023.
